5 From the Budget Estimates for 1912-13, it is found that the present menial Establishment sanctioned for the office of the Agricultural Chemist (now Director of Agriculture) consists of 19 servants, of whom one is Daffedar on Rs 9, 4 are peons on Rs 7 and 4 are peons on Rs 6/-. The Director now says that he has ~~adopted for the~~ ~~sanctioned~~ ~~recommended~~ submitted for the sanction of Govt a revised scale of menial Establishment consisting of one Jamedar, one Daffedar, 19 peons, 4 lascars and 2 watchmen, and proposes the supply of clothing to these men and also belts and badges for the newly appointed men, at an aggregate cost of Rs 335/-.

-x- It is ascertained from Branch I that no orders have yet been passed on the subject and that the Director has been asked to submit a proposition statement. PC

6 It may however be pointed out that lascars and watchmen are not entitled to free supply of white clothing under Appendix A Rule I, notes 1 to 4 of the G.O. of 16th May 1908.

(41) The Director of Agriculture having requested sanction to the inclusion of his office in the list of offices the menials of which are entitled to free clothing, the Financial Secretary was consulted in the matter and he has expressed it as his opinion that, like the Registrar of Co-operative Societies, the work of the Director of Agriculture should be amongst the rural population, that liveried peons are not essential for that kind of work and that in his opinion no strong necessity existed for sanctioning the request of the Director.

Page 7-8 of the office notes

2. (42) The subject was thereupon considered at a meeting of the Council. The Council is of opinion that the Director of Agriculture may be included in the list of offices specified in Note 5 i Appendix A to Government Order dated 16th May 1908, the number of menials of his office entitled to the supply being fixed at 1 Daffedar and 8 peons including Lascars.

Page 9 of the office notes

" 10 " 3. (43) The Financial Secretary to whom the papers were again forwarded under para 8 of Government Order dated 6th May 1907, adheres to the opinion already given.

4. (44) The status and pay of the Director of Agriculture have been increased recently; and considering the position occupied by him as the Head of an important Department, I think that his menial establishment may be shown the same concession in respect of free clothing as that extended to the establishments of the Revenue Commissioner, Excise Commissioner and other Heads of Departments. I request therefore that, as recommended by the Council, sanction may graciously be accorded to include the office of the Director of Agriculture as one entitled to supply of free clothing to its menials, the number to be so supplied being 1 Daffedar and 8 peons.
